Singapore

Join us to be a part of a new evolution

The story of Tomorrow's India

Collaborate with The Start-Up Nation of the world

Integrate to reinvent a new economic world

with a cultural backdrop & academic excellence

WHERE CULTURES UNITE, KNOWLEDGE EVOLVES
& BUSINESS TRANSCENDS BOUNDARIES.

UNVEILING TOMORROW'S INDIA: A VISION FOR THE FUTURE

In the 21st century, we see a world where cultures unite, knowledge evolves and business transcends boundaries. To greet this future, we are proud to present to you and the world *Tomorrow's India*, a global initiative that will showcase India's entrepreneurial strength and academic excellence within a cultural framework.

Tomorrow's India is an exceptional platform which displays the might of India. It collaborates with countries around the world with the aim of creating new opportunities to build a sustainable future for India and her partners.

INAUGURATION: JANUARY 2016

Tomorrow's India will be launched for the first time in the fourth week of January 2016 in Singapore. It will bring an integrated approach that focuses on developing international collaborations in the fields of business, education and culture. Program highlights include:

- A platform for showcasing India's entrepreneurial strength, opportunities for collaboration and a chance to interact with top fund managers and investors.
- A special visit to Singapore's leading platform for start-ups and young entrepreneurs, Action Community for Entrepreneurship.
- Enchanting and thrilling performances featuring young talents from India and Singapore, directed by much sought-after Singaporean creative director Jeremiah Choy.
- Insights into Entrepreneurship, Urban Planning, Marketing & Mass Communication in Singapore by leading academics and top universities like NTU and SMU.

BEYOND 2016:

Tomorrow's India in Singapore is just the beginning. It will travel to a new country every 6 months and hold similar programs.

So, mark your place with business icons, corporate gurus & honchos, investors, policy makers, thinkers, founders & promoters, creators, innovators, knowledge seekers & givers and cultural ambassadors.

Come be a part of *Tomorrow's India* as we walk with the mighty and change perception to create a new world.

24th - 26th January, 2016 - SINGAPORE

Why SINGAPORE

In the spirit of strengthening friendship across borders, we have chosen Singapore as the first country for the inaugural Tomorrow's India event.

Singapore is a globally connected multi-cultural country with a favourable business environment. Singapore has some 6000 multinationals set up their headquarters in the country to benefit from Singapore's network of over 50 comprehensive Double Taxation Avoidance agreements. They also gain from Singapore's many Free Trade agreements and the 35 Investment Guarantee agreements.

A leading provider of services such as international banking, trade finance, maritime finance, insurance, treasury operations and asset & wealth management within the region, Singapore is also the fourth largest foreign exchange trading center in the world.

Companies can tap into Singapore's diverse capital markets and cutting-edge financial services from more than 500 local and foreign financial institutions. In addition, there are over 4,500 companies offering professional services, including audit, accounting & management consulting, market research, advertising & public relations, human capital and legal services.

24th - 26th January, 2016 - SINGAPORE

The ORGANISERS

Tomorrow's India is organised by Global Social India Foundation, a non-profit initiative. GSIF aims to promote cultural, educational and business diplomacy. Through arts and cultural exchange, it fosters new relationships that help businesses reach a global market.

The program, Tomorrow's India is in partnership with Global Cultural Alliance Ltd., creators of Spotlight Singapore, a highly successful international exchange program which has been held in 6 different countries around the world since 2006.

Global Cultural Alliance Ltd (Singapore) is a subsidiary of The RICE Company Limited. It aims to fulfill the role of bringing global communities together, build relationships between people, foster understanding, encourage knowledge sharing and help seed new business ventures.
